

Students who wish to change their major should meet with their primary advisor to begin the process. Changes of major occur only during the Add/Drop period; otherwise, they become effective the next semester in which the student is enrolled. Changing majors may impact a student's anticipated graduation date and/or financial aid. Students are urged to speak with their financial aid advisor to discuss any major change.

\*Students are assumed to be following requirements for the various degrees/majors/minors as printed in the University Catalog for their first enrollment term at the University. Students who wish to follow degree requirements in a subsequent catalog must have the approval of their Dean and file a Change of Major form with the Registrar's Office.

1. The student repeats a grade of 'C-', 'D+', 'D', or 'F'.
2. The student changes programs and the course is not applied to the new curriculum's GPA, as determined by the appropriate academic Dean.
3. Required courses should not be removed regardless of grade; this includes Humanities and Social Science courses.
