

The Academic Departments at Wentworth have the discretion to allow a student to substitute one course for another. This form is to be used for making a course substitution that is not listed as a requirement for the student's major, minor, or concentration. Incomplete forms will be returned to the department and will delay course substitution request processing.

Course substitutions are for completed courses only; in-progress, pre-registered or pre-approved transfer course substitution requests will be returned to the Dean.

Please print or type all information clearly.
