Adding a Quiz in Panopto

In Panopto, we can add quizzes to our videos at certain timestamps. These have 3 different question types and multiple questions can be added to one spot.

Creating a quiz

**Step 1:** Access your video and choose the edit button in the upper right hand corner that looks like a pencil.

**Step 2:** Navigate to the spot in the video where you’d like to add a quiz in the timeline.

For Help Contact: lit@wit.edu or Visit: www.wit.edu/lit
Step 3: Once in Edit mode, click on **Quizzes** on the left-hand navigation bar and “**Add a Quiz**”

Step 3: From here, you can choose from three different quiz types: True/False, Multiple Choice, or Multiple Select:
Step 4: Type your question and possible answers. Highlight the correct answer. You can add more than 2 answers by clicking “Add Answer”. You can also add questions by clicking “Add Question”.

For Help Contact: lit@wit.edu or Visit: www.wit.edu/lit
Step 5: When finished, Click “Done”, this will bring you to the settings page. Here you can check off particular settings to your preference.

Quiz

<table>
<thead>
<tr>
<th>Quiz Position</th>
<th>0:01:54.667</th>
</tr>
</thead>
</table>

- Allow viewers to retake this quiz
- Show grade after taking this quiz
- Allow review of correct answers and explanations
- Block advancing in the video until answering this quiz

Questions
What is the capital of MA?

Step 6: Repeat steps 2-5 to add other quizzes at other timestamps in the video.

Step 7: When completely finished, hit “Publish” on the upper right hand corner of the video to save. Hit “Revert” to undo any changes you have made.
