## New Student Orientation 2021

All students who choose to participate in orientation in person will attend the sessions below.

In-person orientation sessions are offered on June 14/15, June 17/18, June 21/22, and June 24/25. Students must register in advance for either an in-person or online orientation session in their admitted student portal.

In addition to the sessions below, all students must attend a meeting with their academic department, listed in a separate schedule.

Family members are not able to join for in-person programming, but are encouraged to attend our virtual orientation programs during the week of June 7.
