
Dear Wentworth Families,

Happy New Year! We are excited to have students back on campus and already getting the spring semester off to a great start.

Our Family Newsletter will continue to be distributed twice per semester. For family resources, news, and information in between our newsletters, please visit our recently launched [family resources webpage](#), which will be periodically updated with key information.

Updates and Reminders

[COVID-19 Booster Required](#): All students, faculty and staff are required to be fully vaccinated, and boosted, against COVID-19 by January 18, 2022, or within two weeks of when they become eligible during the Spring 2022 semester. Students with a recent positive COVID-19 diagnosis are eligible to obtain their booster once they clear isolation and are symptom free, unless their treatment for COVID-19 required use of monoclonal antibodies. Students should upload proof of their booster to their CastleBranch account.

[Summer 2022 On-Campus Housing](#): Details regarding Summer 2022 Housing Selection processes will be shared in February. In that process, students will complete a housing agreement and submit a housing down-payment to participate in the housing selection process. More details will be shared with students via Wentworth email. Stay tuned for more info!

CO-OP + CAREER Fair: The spring CO-OP + CAREER Fair is scheduled for Monday, February 28 and Tuesday, March 1. We're hosting it across two days this semester to maximize the number of employers we can bring to campus while maintaining a de-densified event. This event is ideal for Seniors graduating in April or August seeking full-time post-graduation employment, as well as Sophomores seeking summer Co-op. If your organization is interested in [hiring from Wentworth](#) this is the perfect opportunity to recruit.
