**CO-OPS + CAREERS**
Wentworth places a strong focus on experiential, hands-on learning. The core of that comes from our cooperative education program since 100% of Wentworth students complete two full semesters of co-op. Stop by this session at 2:20 p.m. to learn more about students’ co-op experiences and the advising they receive.

**WENTWORTH WOMEN’S RECEPTION**
We invite admitted women-identifying students to attend a reception at 3:00 p.m. in the Beatty Multi-purpose Room. This is a great opportunity to connect with other students and find out what it means to be Women at Wentworth.
