

**Transfer Articulation Agreement for Baccalaureate Degree**  
between  
**Central Maine Community College**  
and  
**Wentworth Institute of Technology**

---

**Statement of Purpose**

Central Maine Community College (CMCC) and collaborating institution name (WIT) have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year community college to a university. It is recognized that this agreement shall describe the required program of study at CMCC for admission eligibility to WIT and the Baccalaureate Degree Program indicated.

**Terms and Conditions of Academic Credit Transfer**

**To: Bachelor of Science in Architecture**  
(WIT Academic Degree)

**From: Associate in Applied Science in Architectural Studies**  
(CMCC Academic Degree)

The evaluation and transfer of earned college credits shall follow state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from CMCC shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as WIT students. All applicants accepted to WIT Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

- \* Appendix A contains admission and graduation requirements of the receiving institution
- \* Appendix B contains side-by-side course equivalency tables for the academic program listed above
- \* Appendix C contains a map of the remaining courses to be taken at WIT

The information contained in Appendices A, B, & C is accurate for:

CMCC catalog year 2024-2025: [CMCC Catalog](#)

WIT catalog year 2024-2025: <https://catalog.wit.edu/architecture-design/architecture/architecture-bs/>

**Articulation Implementation and Agreement Review**

The Chief Academic Officer designee of CMCC and WIT shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a *periodic review of this agreement*.

**Signatures to This Agreement**

This agreement becomes effective June 2025 and will be reviewed June 2028 for renewal discussion.

**Transfer Articulation Agreement for Baccalaureate Degree**  
between  
**Central Maine Community College**  
and  
**Wentworth Institute Technology**

**APPENDIX A**

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

**Admissions requirements:** Successful completion of the **Associate in Applied Science in Architectural Studies**, submission of completed admission application, transcripts and other supporting materials. For coursework to transfer to WIT, a student must earn a grade of C or better.

This Agreement facilitates a seamless transfer for architecture studies students with a minimum overall GPA of 3.0 at CMCC who wish to pursue a Bachelor of Science in Architecture at Wentworth Institute of Technology. In addition to other application requirements, students must submit a portfolio for review and admission to the architecture program.

For a list of application instructions, portfolio requirements, and checklist:

<https://wit.edu/academics/registrar/transfer>

**Requirements for the Degree from WIT:** Remaining required course work is listed in Appendix C. Student must maintain a cumulative GPA of 2.0 to graduate and earn a C grade or better in all courses required for the major.

**WIT Residency Requirement:** At minimum, 50% of credits towards a student's baccalaureate must be completed at WIT.

## APPENDIX B

If subjects in Appendix B are not taken at CMCC, the sequence represented in Appendix C might not be observed.  
Only courses in which a student has earned a grade of C or higher are considered for transfer.
