

Request for Internal Transfer Credit

The Academic Departments at Wentworth may, at their discretion, may allow undergraduate students to apply up to two graduate-level courses toward their undergraduate degree requirements. This form is to be used for **undergraduate students who plan to start a graduate program at Wentworth** and would like to transfer up to two graduate courses completed at Wentworth to count towards their graduate program requirements. The courses will appear on the graduate program degree audit with a grade of **TR** and will not impact the GPA.

Incomplete forms will be returned to the department and will delay the processing of this request for an internal transfer request.

Requests for Internal Transfer Credit must be completed prior to starting a graduate program at Wentworth.

Student's Name:	W#:	Email:
Major:	Minor(s):	Concentration: (if applicable)
Primary Advisor:	Anticipated Graduation Date:	

Reason for Request/Notes:
