**By signing this form, I understand that, if admitted, I will be enrolled in my new major for Fall 2019. Due to limited space availability in programs, I am not guaranteed space in any other major for Fall 2019. Once I complete one semester at Wentworth, transferring to another major is based on space availability, approval of the department chair and may result in additional credits to be completed to fulfill the requirements of the new major.**

\* Please be advised that submitting a Student Change of Major form does not guarantee that change. A change of major will not affect awarded merit scholarships. Depending on the major change, your application may have to be re-evaluated for admission. A new acceptance letter will be sent as confirmation of your change of major. Please feel free contact the Admissions Office at (617) 989-4000 to check the status of your change of major request.
