

FALL 2020 MBTA PASS OPTIONS

Center for Student Engagement

1 SEMESTER PASS

Wentworth participates in the Semester Pass Program through the Massachusetts Bay Transportation Authority (MBTA). All Wentworth students have the option to pre-pay for a 3-month pass to save 15% overall. Students will receive unlimited rides from **September 1st- November 30th**. Students must order in advance through Wentworth to obtain the discounted price. For students using the MBTA less frequently (1-2x/week), it is recommended to load money on to a Charlie Card and pay as you go. You can get a plastic Charlie Card at the Charlie Card Store at the Downtown Crossing station. **All sales are final due to MBTA policy. Refunds cannot be guaranteed under any circumstances (including those related to COVID-19). This is the only pass you can purchase through Wentworth. All other options are purchased through the MBTA.**

2 COMMUTER RAIL FLEX PASS

Starting July 1st, the MBTA will offer a five-day Flex Pass on the Commuter Rail. The pass is part of a pilot program, running between July 1st and September 30th to address changing travel patterns due to the gradual reopening from COVID-19. The Flex Pass is good for five round trip tickets that don't have to be used on consecutive days. It is only available on the mTicket app, and will be 10% cheaper than buying five round trip tickets on separate days. The pass is good for thirty days after purchase.
